HERZLIYA, Israel, March 28, 2025 /PRNewswire/ -- The royal court is calling! Slotomania, the leading socialcasino game from Playtika*, invites players to don their crowns and prepare for the grand debut of a new virtual slot as part of Slotomania's partnership with IGT. *Regal Riches™* is just one of many crowd-favorite slot themes that Slotomania is bringing directly from casino floors to players' phones, combining timeless gameplay with cutting-edge features and ensuring an unforgettable experience fit for kings and queens.

As part of the partnership that Playtika and IGT announced last year, Playtika's Slotomania is on a mission to transform beloved slots into digital treasures. The digital revamp of *Regal Riches* comes on the heels of IGT's *Cleopatra II* being integrated into the mobile game in January 2025.

"We've reimagined this iconic slot to highlight its vibrant visuals, unique gameplay, and thrilling surprises that made it a casino favorite. Every detail has been carefully designed to deliver an immersive digital adventure where players can truly reign supreme."

When playing *Regal Riches* in the Slotomania app, players will be immersed in exclusive bonus games, a guaranteed Wilds meter, the chances to win Mega Free Games, Major Free Games or Minor Free Games and even more surprises.
